709 STUDENT TRANSPORTATION SAFETY POLICY

I. PURPOSE

The purpose of this policy is to provide safe transportation for students and to educate students on safety issues and the responsibilities of school bus ridership.

DaVinci Academy contracts with a private contractor to provide transportation to its students. Pursuant to Minnesota Statutes, Sections 123B.91 and 124D.10, subdivision 8, DaVinci Academy is required to have a policy that, at a minimum, contains the sections outlined below. The private contractor is the entity responsible for implementing and ensuring school bus drivers and school buses are operating in compliance with Sections V through IX.

II. PLAN FOR STUDENT TRANSPORTATION SAFETY TRAINING

A. Student Training

1. The school shall provide students enrolled in grades kindergarten (K) through 10 with age-appropriate school bus safety training of the following concepts:
 - a. transportation by school bus is a privilege, not a right;
 - b. school policies for student conduct and school bus safety;
 - c. appropriate conduct while on the bus;
 - d. the danger zones surrounding a school bus;
 - e. procedures for safely boarding and leaving a school bus;
 - f. procedures for safe vehicle lane crossing; and

g. school bus evacuation and other emergency procedures.

2. All students in grades K through 6 who are transported by school bus and are enrolled during the first or second week of school must receive the school bus safety training by the end of the third week of school.

All students in grades 7 through 10 who are transported by school bus and are enrolled during the first or second week of school must receive the school bus safety training or receive bus safety instruction materials by the end of the sixth week of school, if they have not previously received school bus training. Students in grades K through 10 who enroll in a school after the second week of school, are transported by school bus, and have not received training in their previous school districts shall undergo school bus safety training or receive bus safety instructional materials within four weeks of their first day of attendance.

3. The school must provide students enrolled in grades K through 3 school bus safety training twice during the school year.
4. The school must conduct a school bus evacuation drill at least once during the school year.
5. The school will make reasonable accommodations in training for students known to speak English as a second language and students with disabilities.
6. The school may provide kindergarten students with school bus safety training before the first day of school.
7. The school may provide student safety education for bicycling and pedestrian safety for students in grades K through 5.
8. The school shall adopt and make available for public review a curriculum for transportation safety education.

III. CONDUCT ON SCHOOL BUSES AND CONSEQUENCES FOR MISBEHAVIOR

- A. Riding the school bus is a privilege, not a right. The school's general student behavior rules are in effect for all students on school buses.-
- B. Consequences for school bus/bus stop misconduct will be imposed by the school under adopted administrative discipline procedures. In addition, all

school bus/bus stop misconduct will be reported to the school's transportation safety director. Serious misconduct may be reported to local law enforcement.

1. School Bus and Bus Stop Rules. The school bus safety rules are to be posted on every bus. If these rules are broken, the school's discipline procedures are to be followed. In most circumstances, consequences are progressive and may include suspension of bus privileges. It is the school bus driver's responsibility to report unacceptable behavior to the school's Transportation Office/School Office.
2. Rules at the Bus Stop
 - a. Get to your bus stop five minutes before your scheduled pick up time. The school bus driver will not wait for late students.
 - b. Respect the property of others while waiting at your bus stop.
 - c. Keep your arms, legs and belongings to yourself.
 - d. Use appropriate language.
 - e. Stay away from the street, road or highway when waiting for the bus.
 - f. Wait until the bus stops before approaching the bus.
 - g. After getting off the bus, move away from the bus.
 - h. If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.
 - i. No fighting, harassment, intimidation or horseplay.
 - j. No use of alcohol, tobacco or drugs.
3. Rules on the Bus
 - a. Immediately follow the directions of the driver.
 - b. Sit in your seat facing forward.
 - c. Talk quietly and use appropriate language.

- d. Keep all parts of your body inside the bus.
- e. Keep your arms, legs and belongings to yourself.

- g. Do not throw any object.
- h. No eating, drinking, or use of alcohol, tobacco, or drugs.
- i. Do not bring any weapons or dangerous objects on the school bus.
- j. Do not damage the school bus.

4. Consequences

- a. Consequences for school bus/bus stop misconduct will apply to all regular and late routes. Decisions regarding a student's ability to ride the bus in connection with cocurricular and extracurricular events (for example, field trips or competitions) will be in the sole discretion of the school. Parents or guardians will be notified of any suspension of bus privileges.

(1) Elementary (K-6)

1st offense – warning

2nd offense – 3 school-day suspension from riding the bus

3rd offense – 5 school-day suspension from riding the bus

4th offense – 10 school-day suspension from riding the bus/meeting with parent

Further offenses – individually considered. Students may be suspended for longer periods of time, including the remainder of the school year.

(2) Secondary (7-12)

1st offense – warning

2nd offense – 5 school-day suspension from riding the bus

- 3rd offense – 10 school-day suspension from riding the bus
- 4th offense – 20 school-day suspension from riding the bus/meeting with parent
- 5th offense – suspended from riding the bus for the remainder of the school year

Note: When any student goes 60 transportation days without a report, the student's consequences may start over at the first offense.

(3) Other Discipline

Based on the severity of a student's conduct, more serious consequences may be imposed at any time. Depending on the nature of the offense, consequences such as suspension or expulsion from school also may result from school bus/bus stop misconduct.

(4) Records

Records of school bus/bus stop misconduct will be forwarded to the school and will be retained in the same manner as other student discipline records. Reports of student misbehavior on a school bus or in a bus-loading or unloading area that causes an immediate and substantial danger to the student or surrounding persons or property will be provided by the school to the Department of Public Safety in accordance with state and federal law.

(5) Vandalism/Bus Damage

Students damaging school buses will be responsible for the damages. Failure to pay such damages (or make arrangements to pay) within two weeks may result in the loss of bus privileges until damages are paid.

(6) Notice

School bus and bus stop rules and consequences for violations of these rules will be reviewed with students annually and copies of these rules will be made available to students. School bus rules are to be

posted on each school bus.

(7) Criminal Conduct

In cases involving criminal conduct (for example, assault, weapons, possession or vandalism), the appropriate school personnel and local law enforcement officials will be informed.

IV. PARENT AND GUARDIAN INVOLVEMENT

private bus contractor, of the suspension, revocation, cancellation, lost privilege, or disqualification. Such notification shall be made before the end of the business day following the day the employee received notice of the suspension, revocation, cancellation, lost privilege, or disqualification.

(multiple moving violations) while employed by the entity that owns, leases, or contracts for the school bus, shall report the conviction to the person's employer, i.e., the private bus contractor, within ten days of the date of the conviction. This provision does not apply to a school employee whose normal duties do not include operating a type III vehicle.

VI. SCHOOL BUS DRIVER TRAINING

A. Training

1. All new school bus drivers shall be provided with pre-service training, including in-vehicle (actual driving) instruction before transporting students and shall meet the competency testing specified in the Minnesota Department of Public Safety Model School Bus Driver Training Manual. All school bus drivers shall receive in-service training annually. For purposes of this section, "annually" means at least once every 380 days from the initial or previous evaluation and at least once every 380 days from the initial or previous license verification. The entity from which bus services are contracted by the school, i.e., the private bus contractor, will provide or arrange for this training. The school shall retain on file an annual individual school bus driver "evaluation certification" form for each school driver as contained in the Model School Bus Driver Training Manual.

{Note: The Model School Bus Driver Training Manual is available online through the Minnesota Department of Public Safety State Patrol web page.}

2. All bus drivers operating a type III vehicle will be provided with annual training and certification as set forth in Section VII.C.1.b., below, by either the school or, in the event the school contracts for bus services, by the entity from whom such services are contracted by the school.

B. Evaluation

School bus drivers with a Class D license will be evaluated annually and all other bus drivers will be assessed periodically for the following competencies:

1. Safely operate the type of school bus the driver will be driving;
2. Understand student behavior, including issues relating to students with disabilities;
3. Ensure orderly conduct of students on the bus and handling incidents of misconduct appropriately;
4. Know and understand relevant laws, rules of the road and local school bus safety policies;
5. Handle emergency situations; and
6. Safely load and unload students.

The evaluation must include completion of an individual “school bus driver evaluation form” (road test evaluation) as contained in the Model School Bus Driver Training Manual. The entity from which bus services are contracted by the school, i.e., the private bus contractor, will provide or arrange for this assessment.

VII. OPERATING RULES AND PROCEDURES

A. General Operating Rules

1. School buses shall be operated in accordance with state traffic and school bus safety laws and the procedures contained in the Minnesota Department of Public Safety Model School Bus Driver Training Manual.
2. Only students assigned to the school bus by the school shall be transported. The number of students or other authorized passengers transported in a school bus shall not be more than the legal capacity for the bus. No person shall be allowed to stand when the bus is in motion.
3. The parent/guardian may designate, pursuant to school policy, a day care facility, respite care facility, the residence of a relative or the residence of a person chosen by the parent or guardian as the address of the student for transportation purposes. The address

must be in the attendance area of the assigned school and meet all other eligibility requirements.

4. Bus drivers must minimize, to the extent practical, the idling of school bus engines and exposure of children to diesel exhaust fumes.
5. To the extent practical, the school will designate school bus loading/unloading zones at a sufficient distance from school air- intake systems to avoid diesel fumes from being drawn into the systems.
6. A bus driver may not operate a school bus while communicating over, or otherwise operating, a cellular phone for personal reasons, whether hand-held or hands free, when the vehicle is in motion. For purposes of this paragraph, "school bus" has the meaning given in Minn. Stat. § 169.011, Subd. 71. In addition, "school bus" also includes type III vehicles when driven by employees or agents of the school. "Cellular phone" means a cellular, analog, wireless, or digital telephone capable of sending or receiving telephone or text messages without an access line for service.

B. Type III Vehicles

1. Type III vehicles are restricted to passenger cars, station wagons, vans, and buses having a maximum manufacturer's rated seating capacity of 10 or fewer people including the driver and a gross vehicle weight rating of 10,000 pounds or less. A van or bus converted to a seating capacity of 10 or fewer and placed in service on or after August 1, 1999, must have been originally manufactured to comply with the passenger safety standards.
2. Type III vehicles must be painted a color other than national school bus yellow.
3. Type III vehicles shall be state inspected in accordance with legal requirements.
4. A Type III vehicle cannot be older than 12 years old unless excepted by state and federal law.
5. If a Type III vehicle is school owned, the school name will be clearly marked on the side of the vehicle. The Type III vehicle must not have the words "school bus" in any location on the exterior of the vehicle or in any interior location visible to a motorist.

6. A “Type III vehicle” must not be outwardly equipped and identified as a Type A, B, C, or D bus.
7. Eight-lamp warning systems and stop arms must not be installed or used on Type III vehicles.
8. Type III vehicles must be equipped with mirrors as required by law.
9. Any Type III vehicle may not stop traffic and may not load or unload before making a complete stop and disengaging gears by shifting into neutral or park. Any Type III vehicle used to transport students must not load or unload so that a pupil has to cross the road, except where not possible or impractical, then the driver or assistant must escort a pupil across the road. If the driver escorts the student across the road, then the motor must be stopped, the ignition key removed, the brakes set, and the vehicle otherwise rendered immobile.
10. Any Type III vehicle used to transport students must carry emergency equipment including:
 - a. Fire extinguisher. A minimum of one 10BC rated dry chemical type fire extinguisher is required. The extinguisher must be mounted in a bracket, and must be located in the driver’s compartment and be readily accessible to the driver and passengers. A pressure indicator is required and must be easily read without removing the extinguisher from its mounted position.
 - b. First aid kit and body fluids cleanup kit. A minimum of a ten-unit first aid kit and a body fluids cleanup kit is required. They must be contained in removable, moisture- and dust- proof containers mounted in an accessible place within the driver’s compartment and must be marked to indicate their identity and location.
 - c. A Type III vehicle must contain at least three red reflectorized triangle road warning devices. Liquid burning “pot type” flares are not allowed.
 - d. Passenger cars and station wagons may carry a fire extinguisher, a first aid kit, and warning triangles in the trunk or trunk area of the vehicle if a label in the driver and front passenger area clearly indicates the location of these items.
11. Students will not be regularly transported in private vehicles that

are not state inspected as Type III vehicles. Only emergency, unscheduled transportation may be conducted in vehicles with a seating capacity of 10 or fewer without meeting the requirements for a Type III vehicle. The school has no system of inspection for private vehicles.

12. All drivers of Type III vehicles will be licensed drivers and will be familiar with the use of required emergency equipment. The school will not knowingly allow a person to operate a Type III vehicle if the person has been convicted of an offense that disqualifies the person from operating a school bus.
13. Type III vehicles will be equipped with child passenger restraints, and child passenger restraints will be utilized to the extent required by law.

C. Type III Vehicle Driven by Employees with a Class D Driver's License

1. The holder of a Class A, B, C, or D driver's license, without a school bus endorsement, may operate a type III vehicle, described above, under the following conditions:
 - a. The operator is an employee of the entity that owns, leases, or contracts for the school bus, which may include the school.
 - b. The operator's employer, which may include the school, has adopted and implemented a policy that provides for annual training and certification of the operator in:

 - (b) refraining from loading and unloading students in a vehicular traffic lane, on the shoulder, in a designated turn lane, or a lane adjacent to a designated turn lane;
 - (c) avoiding a loading or unloading location that would require a student to cross a road, or ensuring that the driver or an aide personally escort the student across the road if it is not reasonably feasible to avoid such a location;
 - (d) placing the type III vehicle in “park” during loading and unloading;
 - (e) escorting a student across the road under clause (c) only after the motor is stopped, the ignition key is removed, the brakes are set, and the vehicle is otherwise rendered immobile; and
 - (9) compliance with paragraph V.F. concerning reporting convictions to the employer within ten days of the date of conviction.
- c. A background check or background investigation of the operator has been conducted that meets the requirements under Minn. Stat. § 122A.18, Subd. 8, or Minn. Stat. § 169A.25, § 169A.26, § 169A.27 (driving while impaired offenses), or § 169A.31 (alcohol-related school bus driver offenses), or whose driver's license is revoked under Minn. Stat. §§ 169A.50 to 169A.53 of the implied consent law, or who is convicted of violating or whose driver's license is revoked under a similar statute or ordinance of another state, is precluded from operating a type III vehicle for five years from the date of conviction.
- h. A person who has ever been convicted of a disqualifying offense as defined in Minn. Stat. § 171.3215, Subd.1(c), (i.e., felony, controlled substance, criminal sexual conduct offenses, or offenses for surreptitious observation, indecent exposure, use of minor in a sexual performance, or possession of child pornography or display of pornography to a minor) may not operate a type III vehicle.
- i. A person who sustains a conviction, as defined under Minn. Stat. § 609.02, of a moving offense in violation of Minn. Stat. Ch. 169 within three years of the first of three other moving offenses is precluded from operating a type III vehicle for one year from the date of the last conviction.

- k. Documentation of meeting the requirements listed in this section must be maintained under separate file at the business location for each type III vehicle operator, i.e., the private bus contractor. The school or any other entity that

owns, leases, or contracts for the type III vehicle operating under this section, i.e., the private bus contractor, is responsible for maintaining these files for inspection.

2. The type III vehicle must bear a current certificate of inspection issued under Minn. Stat. § 169.451.
3. An employee of the school who is not employed for the sole purpose of operating a type III vehicle may, in the discretion of the school, be exempt from paragraphs VII.C.1.d. (physical examination) and VII.C.1.e. (drug testing), above.

D. Type A-I “Activity” Buses Driven by Employees with Class D Driver’s License

1. The holder of a Class D driver’s license, without a school bus endorsement, may operate a Type A-I school bus or a Multifunction School Activity Bus (MFSAB) under the following conditions:
 - a. The operator is an employee of the school or an independent contractor with whom the school contracts for the school bus and is not solely hired to provide transportation services under this paragraph.

The school transportation safety director also shall certify that students have received school bus safety training in accordance with state law. The name, address and telephone number of the school transportation safety director are on file in the school office. Any questions regarding student transportation or this policy may be addressed to the school transportation safety director.

XI. SCHOOL BUS STOP/ROUTE SELECTION

1. Community based bus stops: publicly accessible places where families can safely wait with their students in the morning, and wait for them in the afternoon, and where the bus can easily access and maneuver.
2. Maximum 50-minute average ride (assuming good weather and normal traffic). This

implies shorter distances and fewer stops.

3. No stops further than 1.5 miles outside the Anoka Hennepin school district boundaries.
4. School expectation is that a parent or responsible adult waits with the student(s) in the morning, and in there to meet them in the afternoon. If no designated responsible adult is present, the student will stay on the bus and the bus will proceed on its route unless permission is given during bus route registration.
5. In order to set optimal routes and times, families wanting to use the bus must inform DaVinci in advance by responding to the appropriate email/survey when it is distributed in June.
6. All bus routes and stops are subject to change at any time as DaVinci responds to changes in enrollment, ridership, or safety requirements.
7. Bus stops may change annually. All stops reevaluated based on enrollment and new families.
