

## Bus Stop Guidelines

### **When to Arrive at Your Stop**

Parents/students should arrive 10 minutes early to their stop.

### **Late Buses**

Please factor an additional 10-20 minutes into bus times during the first 3 weeks of school. It is normal and expected for buses to be running late for the first few weeks as drivers learn their routes and students, families, and the school settles into a routine. Families are advised to arrive at their stops at the normally scheduled time and asked to wait the additional 15-20 minutes if needed. Arriving late may cause you to miss the bus if it is on schedule.

If a bus is running extremely late, DaVinci Academy will alert parents via email, text, or phone call through our automated system as soon as possible. Parents should make sure their contact information and preferences are current using the Infinite Campus Parent Portal in order to receive these important messages. That link can be found on our website at [www.davincicharterschool.org](http://www.davincicharterschool.org).

DaVinci Academy's main office opens at 7:15 AM and some bus routes begin earlier. If parents are concerned that their bus is running late, or that they missed their bus before the main office is open, they may call Kottke's dispatch office directly at 763-755-3100 Option 1.

## Morning Bus

### **Missing the Morning Bus**

The bus will only wait 2-3 minutes maximum after the scheduled time before moving on. Buses cannot wait longer or it will make them late for the rest of the route. If students miss their morning bus, their parents are responsible for transporting them to school. The bus will not loop back to pick up students who missed the bus. Students arriving late to school because they missed the bus will be recorded as having an unexcused tardy.

### **If the Bus is Late to School**

If students are late to school in the morning because the bus was late, they will not be marked late in Infinite Campus. This includes when their parents have to drive them to school because the bus was running abnormally behind schedule.

## **Bus Dismissal**

### **Afternoon Instructions**

Because of the complexity of managing transportation schedules for over 400 students, we use the Silent Dismissal program which allows parents to change transportation plans as it is necessary and insures that the information gets to the school and the teachers in time for dismissal. Changes to a child's dismissal plans can be made up until 2:45 each day and it is critical that parents keep their Silent Dismissal settings current. Students will be dismissed using the instructions given by Silent Dismissal, so if the setting is inaccurate the student will not get to where they are supposed to be going.

Neither the front office nor the teachers will be making adjustments to dismissal plans over the phone or email, as it is the parent's responsibility to keep Silent Dismissal settings current. You can always call the office for help in how to manage that program at 763-754-6577.

### **Afternoon Bus Departure**

Students will be dismissed from classes at 3:00 p.m. and will have 10 minutes to board the buses before they leave at 3:10. It is critical that buses leave on time in order to insure that the route schedules will be maintained.

### **Missing the Afternoon Bus**

Tracking down missing students is the most common reason for delays in bus departure. In order to keep the buses on schedule we are not able to wait for missing students. This makes the bus late and negatively affects every other family on the route. The following policies shall be in effect regarding missing/late students.

**Kindergarten** – Older students will escort kindergarten bus riders to their buses according to the daily Silent Dismissal settings chosen by their parents. For safety, kindergarten students will not be allowed on the bus if they are not on the electronic Silent Dismissal bus roster.

**Lower School (1-4)** – The school will attempt to track down missing lower school busers until 3:10 p.m. if they are on the electronic Silent Dismissal bus roster as set by parents. For safety, lower school students will not be allowed to get on the bus if they are not on the electronic Silent Dismissal bus roster.

**Middle School (5-8)** – The school will attempt to track down missing middle school busers until 3:10 p.m. Middle school students who attempt to board the bus, but are not on the electronic Silent Dismissal bus roster will be allowed to get on the bus if they are a registered bus rider. Students of this age should know their own schedules and should follow parent instructions.

### **Meeting the Bus at Drop-Off**

For the safety of our students, DaVinci Academy's policy is that no child is left at a bus stop if a parent/caregiver is not there; nor is a child allowed to walk home from the stop unsupervised without permission. If you would like to give your child special permission to wait for pick-up or walk home from their stop alone, please check the appropriate box on Silent Dismissal.

### **Missing Your Child's Bus**

If parents miss their child's afternoon bus and have not signed the release that allows students to remain at the stop to wait, the student will continue riding the bus through the end of the route while the bus company or the school contacts the parents. Parents then have the option of either catching the bus at a later stop along the route, or picking up their child at the school. Any student remaining on the bus at the end of the route will be brought back to the school to wait for pick-up. All students must be picked up immediately upon school drop off as there currently is no after-care program. Parents may contact the Kottke's dispatch office directly if they missed their child's stop 763-450-3100 opt. 1. Calling the school's main office is also appropriate (763-754-6577); however, the office closes daily at 4:30 PM.

**\*\*Parents who routinely miss their child's afternoon drop-off may lose busing privileges for the remainder of the school year.**

## **Bus Safety**

Students who have the opportunity to ride DaVinci Academy school buses must display behavior that is responsible and safe. The bus driver is responsible for the safety and discipline of the students on the bus and must be obeyed and treated with respect in order to guarantee the safety of everyone on the bus.

DaVinci students will receive school bus safety training twice during the school year. The school bus safety training will include at least the following:

- Transportation by school bus is a privilege and not a right;
- School policies for student conduct while on the school bus;
- Appropriate conduct while on the school bus;
- The danger zones surrounding a school bus;
- Procedures for safely boarding and leaving a school bus;
- Procedures for safe road crossing;
- School bus evacuation.

### **Conduct on School Buses**

Riding the school bus is a privilege, not a right. The school's general student behavior rules are in effect for all students on school buses. Consequences for school bus/bus stop misconduct will be imposed by the school under adopted administrative discipline procedures.

Consequences are progressive and may include suspension of bus privileges. It is the school bus driver's responsibility to report unacceptable behavior to school administration.

### **Rules at the Bus Stop**

## Rules on the Bus

## Consequences

Consequences for school bus/bus stop misconduct will apply to all regular routes and field trips. Depending on the nature of the offense, consequences such as suspension or expulsion from the bus or from school may result from school bus/bus stop misconduct.

## Vandalism/Bus Damage

Students damaging school buses will be responsible for the damages. Failure to pay such damages (or make arrangements to pay) within two weeks may result in the loss of bus privileges until damages are paid.
