On behalf of the School Development Committee and DaVinci Academy Board of Directors, **THANK YOU** to the entire DaVinci Academy community for your support over the past year! Our efforts since August 2017 to raise sufficient funds for the **addition of an outdoor education space** have been a wonderful success. We look forward to beginning the bid and build process in the coming months!

What's next?

For 2018-2019, fundraising efforts will support classroom and school-wide needs. We hope you will consider participating in any or all of these events throughout the year.

Nov 2018 – Give to the Max for DaVinci Academy Scholarship Fund (to support students' participation in school field trips)

Nov/Dec 2018 – Heggie's Pizza for classroom arts and science upgrades

May 2019 – \$ for DaVinci for school-wide technology upgrades

June 2019 – Golf tournament for school-wide technology upgrades

Thank you for all you have done and continue to do to make DaVinci Academy an incredible place to learn and grow!

Over \$72,000!!!
