Drawing Classes for kids

at DaVinci Academy

Our cartoon drawing lessons will stoke your child's artistic fire. Your child will learn about exaggeration and drawing facial expressions in our lessons entitled "Cold Faces" and "Dad Expressions." Our students will learn how to create fully realized cartoon characters by personifying cuddly polar bears in our "Cold Weather Friends" lesson. Learning to tell a story through a series of drawings will be the focus in our illustrations featuring a humorous shaving sequence.

Encourage your child's creativity.
