1. Call to Order
2. Roll Call: Mark Guy, Katie Borg, Crystal Higgins
3. Discussion Items
  - A. Color Run proceeds  
Event netted approximately \$4600, which was shy of the \$7000 predicted. However, the total of funds raised through 2017-2018 school year and 2018 Color Run exceeded \$72,000, so there are still sufficient funds to begin the process of bidding out the outdoor education space build. Crystal will inquire with individuals in her network about acquiring a third bid for the outdoor education space build.
  - B. Give to the Max  
Estimate that Give to the Max will net approximately \$1500 for the scholarship fund. Will need to draft good requirements for how families can apply for funds. Mark will check with Holly to see if she has a document that the committee might be able to use as a template.
  - C. Any other business  
Holly is getting a quote on new risers for the auditorium. This information will help determine how to divide up the proceeds from the Heggie's fundraiser which is for arts and science upgrades around the school. Heggie's forms are due November 26, and distribution is planned for December 11.
4. Adjournment
5. Next Meeting: 12/13/18
