Author Sean Connolly is coming to DaVinci Academy with **THE BOOK OF TERRIFYINGLY AWESOME TECHNOLOGY** on Wednesday, September 25th!

ABOUT THE BOOK: Sean Connolly's bestselling "genius at work" series gets its "T!" STEM, standing for Science, Technology, Engineering, and Mathematics, refers to the core non-humanities subjects that are so critical to contemporary education. And now, after covering everything but the technology, this master of fun, messy, possibly risky and compelling interactive science experiments explores twenty-seven key areas in current and near-future tech.

ABOUT THE AUTHOR: Sean Connolly is the author of the *Totally Irresponsible Science* series and dozens of other books for both children and adults. A father of three, he is in an ideal position to explain the nuts and bolts of these experiments. He lives in England.
