

CHROMEBOOK LOAN FORM

A Chromebook was provided by DaVinci Academy for use to assist students with distance learning. Students were expected to demonstrate a sense of responsibility and not abuse this privilege. Students were also expected to abide by the terms of the [Acceptable Use Policy](#) and [Acceptable Use Agreement](#) that parents signed when their child(ren) enrolled at DaVinci Academy.

If damage occurred to this equipment, the family will be required to pay \$300 to replace the device, or a prorated amount consistent with the cost to replace or repair the device. By accepting the Chromebook at the time of pick up you accepted responsibility for this equipment and agreed to the content of this form.

Identify any issues that need to be addressed with this device before adding it back into the classroom learning environment. **Note: 1 form per Chromebook borrowed.

Broken Screen

Microphone doesn't work

Loose or missing key(s)

Speaker doesn't work

Power cord damage

Liquid spilled on keyboard

Other: Please explain _____

None of the above. This Chromebook turns on fine and works well.

Family Name:

You will be contacted if damage has been found to the device and a fee needs to be assessed.
