## Bunker Exit Drop Off Lane

Wait here for access to the Bunker exit drop off lanes.

- Give buses extra space incase they need to back up at the U-turn.
- Watch for staff members who may stop you before Bunker to allow buses to enter the lot.

## FRIENDLY REMINDERS FOR ALL

- **PM DRIVERS:** Staggered pickup is necessary to maintain a safe parking lot at the end of the day. Families with last names M-Z should not enter the lot until 3:15 so that cars are not lined up along the road waiting to enter.
- DaVinci drivers should never use neighbors' driveways to turn around. If you exit south on Jefferson and you need to be going north you have 2 options.
  1. Use the Bunker Exit Drop Off Lane out of the lot.
  2. Take the second left off Jefferson onto 134th Ave, drive slowly through the neighborhood, and loop back around.
- Please show SPARK while in the DaVinci parking lot.
