

Motion to suspend April 2024 Election

Due to the emergency nature by which the current PTO Executive Board was formed and the lack of clarity in the existing DaVinci PTO Bylaws, the current PTO Executive Board has proposed:

- To suspend the April Election for Vice President and Treasurer so that those Officers can serve a full 2 year term in their positions.

Should the Motion pass, the April 2024 Election for Vice President and Treasurer would occur in April 2025 after their respective 2 year term ended.

Should the Motion fail, the April 2024 Election for Vice President and Treasurer would occur as notified at the March 18th meeting, pursuant to the PTO Bylaws.
