DaVinci Academy of Arts & Science 2016/2017 Student Supply Lists GRADES 6 - 8

A note from the middle school team to students in 6th, 7th and 8th grade:

Middle school is a unique time. Students want more autonomy, yet need more supervision. Students want lots of choices, yet crave predictability. In prior years, we tried to dictate an organization system to students by purchasing three ring binders, folders and then telling students how to set them up exactly. This worked for some students, and failed miserably for others. The only system that will work for students is one that they believe in.

We request that your child bring his/her choice of the following organization materials: a trapper keeper, folders, three-ring binder, accordion files. Your child is welcome to use whatever combination of these items that best meets his or her needs. Please keep in mind that organization materials for the following subjects will be necessary: **math, science, language arts, social studies, art, Spanish, and electives**. If the materials initially purchased are found to be insufficient, we will request that you provide additional materials.

- ☐ **6th grade only:** 1 box washable markers - 8-10 count
- ☐ **6th grade only:** 1 bottle white glue 4 oz – Elmer's
- ☐ **7th grade only:** 3 highlighters – various colors
- ☐ **7th grade only:** 2 glue sticks
- ☐ **8th grade only:** 1 set of Expo markers – 4 pack

All Students

- ☐ 2 packs of 100 index cards - 3x5
- ☐ 1 pack graphing/quadrille paper
- ☐ 1 deodorant (stick or roll-on only) - to keep in locker
- ☐ 1 box colored pencils - 12 count
- ☐ One 5-subject, notebook OR 5 single-subject notebooks
- ☐ 1 additional single subject notebook
- ☐ enough folders or an organizer for all classes (**see note above**)
- ☐ 1 box of Ziplock bags – quart or gallon size
- ☐ 2 packs of multi-color small post-it notes – one small and one medium size packs
- ☐ 1 graphing calculator – optional* (labeled with student name)

*Purchasing a graphing calculator is a great investment at this time as many of our 7th and 8th graders are already doing high school math. DaVinci Academy will provide TI-84 Plus Silver Edition calculators for students while they are at school. The number one complaint of high school math teachers is that incoming 9th graders are not yet familiar with graphing calculators. This is an optional purchase, but one that will last through college level courses. The TI-84 Plus Silver Edition and the TI-89 Titanium Edition are preferred, but there are cheaper options that also work.
