Hello choir families!

Normally at this time, I would be sending out an email about our winter concerts. As you have received information from our school, we are currently in [Phase 4 of our mitigation matrix](#), which states about what School Wide Events will look like (a.k.a. concerts), **“Virtual Only. Audience may participate remotely or by watching a recording.”** Because of this, we are not holding our winter choir concert in person, but will record it and it will be sent out to families before winter break.

My plan will be to record during our normal class time (1:30-2:00) on **Monday, December 13th** in the auditorium. Students will just wear their uniforms, no special clothing will be required.

If you have any questions, you can reach out to [myself](#) or [Ms. Halverson](#)

All my best,

Mr. Ben Hanson, Choir Teacher
