## **504 STUDENT UNIFORM / DRESS CODE POLICY**

### **I. PURPOSE**

The purpose of this policy is to minimize distraction and focus students' attention on their work at school rather than their attire, and to project a unified school image, which is proper and neat in appearance, reflecting the important work of the school. The dress code is a means to support and promote the mission and vision of the school.

### **II. GENERAL STATEMENT OF POLICY**

As with all school operations, dress code requirements shall be nonsectarian and ensure student safety. The school may restrict the wearing of any attire otherwise complying with the dress code where the wearing of such attire would compromise the student's physical safety in a particular situation (e.g. the wearing of any jewelry may be prohibited during physical education for safety reasons).

School Administrators may approve modified uniform days or non-uniform days for events, field trips, student moral and other uses at their discretion.

The specific dress code guidelines are attached.

### **III. RESPONSIBILITY**

The implementation of the DaVinci Academy dress code is a shared responsibility.

- A. Parents/legal guardians are expected to ensure their children are in compliance.
- B. Students are expected to comply with the dress code on a daily basis and encourage their classmates to do the same.
- C. Staff will enforce the dress code in a positive and reassuring manner with oversight from the school Administration.

### **IV. POLICY ENFORCEMENT**

When a student appears at school out of uniform, they will be required to correct the violation. Parents may be contacted to bring alternative clothing immediately to school. Refusal to comply with this policy may result in a discipline referral.
