

FALL PLAY AUDITIONS

When the aging king of a Magical Kingdom (England) decides to split his empire between his three daughters, Cinderella, Belle, and the Snow Queen (who in no way resembles a copyrighted character), terrible tragedy ensues. Terrible, hilarious tragedy. Combining the gut-wrenching plot twists of Game of Thrones, and the soul-numbing despair of Shakespearean tragedy, this adaptation of King Lear will leave you dying with laughter as the body count mounts. When you play the Game of Tiaras, you win or you die.

Auditions:

When: Tuesday Aug. 16 (3:15pm and 4:30pm)

Who: 5th through 8th grade students

Where: PAC
