FAMILY SURVEYS DUE

Only a couple of days left to complete Your family survey! Our annual family survey was sent to each DaVinci Academy family last Thursday. You have until this coming Thursday, May 19, to submit your completed survey. As of Monday evening, only 35% of DaVinci Academy families had responded. Your feedback is critical to us, and we want to hear from all of you. If you have not yet responded, please go to <http://www.surveymonkey.com/s/davinci2011> and complete your survey before the May 19 deadline. Thanks for your participation.

SCHOOL FINANCE AWARD

DaVinci Academy just received the School Finance Award for Fiscal Year 2010 from the Minnesota Department of Education. The award recognizes districts for timely submission of FY 2010 financial data, as well as for having positive fund balances, demonstrating fiscal policies and procedures, and personnel training. What a great award for our school!

STUDENT HIGHLIGHTS

Fifth grader Madeline M. is a State Piano Contest winner. She will perform at the MMTA Honors Concert at the Minneapolis Convention Center in May. Congratulations, Madeline!

If your student is up to something that you would like to share with everyone (theatre, awards, etc.), let us know.

NO FLIP-FLOPS IN SCHOOL

We have had some accidents in the hallways due to students wearing flip-flops to school. Flip-flops are NOT an approved part of the student uniform and students should not be wearing them during the school day. Also, students should not be wearing shoes with high heels. These are just not safe or appropriate for school. If students come to school with flip-flops or inappropriate footwear, parents will be contacted and asked to bring in appropriate shoes for their student to wear. Thank you.

MILK OFFERINGS TO CHANGE

The Healthy, Hunger-Free Kids Act of 2010 requires schools to offer two low-fat milk options starting in the 2011-12 school year. The low-fat options must be consistent with the new Dietary Guidelines for Americans, which recommends that persons over two years of age consume fat-free or 1% milk. Starting next school year, DaVinci Academy will serve skim, 1%, and fat-free chocolate milk. This year we offer skim, 2% and fat-free chocolate.

3RD ANNUAL DAVINCI ART FAIR

Grades 5-8 could voluntarily enter their artwork in a pool for judging this year. Seventy students participated in the this process and twelve were selected to receive recognition for their creativity and craftsmanship. Our judge this year was Jan Elftmann, a professional artist and teacher from Minneapolis, who also has been working with Ms. Beil over the past few months here at DaVinci on an art grant from the Perpich Center for Arts Education.
