### SCHOOL BOARD ELECTION RESULTS

The results of our recent school board election were announced at our Annual Meeting last week. For those of you who did not attend, our two incumbent school board candidates, Mr. Doug Hiatt and Mrs. Terri Sheehan, were reelected to new three year parent member terms on the board. The vote counts for the three candidates were as follows:

Mr. Doug Hiatt	80
Mrs. Terri Sheehan	48
Mr. Ravi Raghavapudi	40

Thank you to all of you who participated in the election process. Also, special thanks to Mr. Hiatt, Mr. Raghavapudi and Mrs. Sheehan for your willingness to offer your volunteer services to the DaVinci Academy community. These are critical leadership positions in our school, and we appreciate your commitment to serving both our school and our students.

One quick note on voter turnout merits mentioning. Of the 477 people who were eligible to vote in our election, only 105 cast ballots. That amounts to a 22% turnout, which is very poor, and substantially below past elections. Stakeholder involvement is a key element in what makes DaVinci Academy unique and successful. We encourage all of you to stay involved and participate in what goes on at our school. Involved parents and families make a real difference for both the school and your children!

### REENROLLMENT DUE WEDNESDAY

Wednesday, January 26 all current students intending to attend DaVinci Academy next year must have a reenrollment form filled out and turned in to the office. This is to assist DaVinci in planning for next fall. See the attached form.

Also, if you have any siblings of your student that you would like to enroll, sibling applications are due January 26, as well.

DaVinci is currently having an Open Application Period. New families can turn in their applications by January 31 for next fall.

### SING IT AGAIN!

DaVinci Choirs will begin rehearsing next week for the Spring Concert in May. Green Choir, grades 3 – 5, will meet at 8:00 am on Wednesday, January 26. Orange Choir, grades 6 – 8, will meet at 8:00 am on Friday morning, January 28. New members are welcome. Contact Mrs. Hunter for more details by phone or at shunter@davincicharterschool.org.

### DESTINATION IMAGINATION

Destination ImagiNation is an educational program in which student teams solve open-ended challenges and present their solutions at tournaments. Teams are tested to think on their feet, working together, and devising original solutions that satisfy the requirements of the challenges. Participants gain more than just basic knowledge and skills – they learn to unleash their imaginations and take unique approaches to problem solving. If your student in grades 3 – 5 would be interested in being a part of a creative problem solving team, we meet Tuesdays from 4:15 – 5:15, please contact Ms. Morgan.

### LUNCH REGISTRATION DEADLINE

Lunch menus are sent the middle of each month with a deadline usually about a week later. In trying to accommodate families at the beginning of the school year, lunch menus were accepted a day or so after the deadlines. This was confusing for the teachers, the caterers and the kitchen staff. Therefore, since November, DaVinci has had to turn down late menus. Please be aware of each deadline as the dates are not always the same.
