## STUDENT HIGHLIGHTS

5<sup>th</sup> grader, **Will T.**, attended Summer Academy this past summer and took the course entitled, "Nature at the Draw" - a drawing class of items in nature for 4<sup>th</sup> through 6<sup>th</sup> graders. One assignment was a group project where each student was to draw a picture using charcoal pencil of an animal which was being endangered by the oil spill. Each student's picture was in the shape of a puzzle piece which fit together with the others, leaving a few blank spaces open. The resulting 10' x 10' mural was entered into juried competition at the Minnesota State Fair and took the Grand Prize. Congratulations Will!

2<sup>nd</sup> grader **Yekatrina, "Katya," H.** was honored as the Twin Cities Shriner's Hero of the month. An article about her appeared in their newsletter, The Pulse. Here is a brief synopsis: Katya was born in Russia, at 28-weeks gestation. At the age of 3 months an overhead radiator pipe in Katya's hospital room burst and she received 3<sup>rd</sup> degree burns. Katya's parents adopted her in May 2004 and took her to Gillette Hospital where she had 9 separate surgical procedures to try to correct her hip dysplasia. Then Katya was referred to Dr. Cary Mielke, Assistant Chief of Staff at Shriners Hospitals for Children@Twin Cities who operated on Katya's hip in March 2010. Ms. Groh's 1<sup>st</sup> grade class was able to keep in contact with Katya via Skype last spring while she recuperated in the hospital, and they helped her get around when she returned to school in a wheel chair. Katya is now up and around like any other second grader. Congratulations, Katya on being honored!

If your student is up to something that you would like to share with everyone (theatre, awards, etc.), let us know.
