

DaVinci Academy of Arts and Science 2020-21 Student Supply Lists

In response to COVID related concerns, there will be no shared classroom supplies this year. So, students in grades K-5 should plan on purchasing a pencil box type holder to contain writing and craft materials. Here is the recommended size. 21.3 x 14.3 x 5.1 cm. **We ask that families label all supplies very clearly with students' names.**

*Purchasing a graphing calculator is a great investment at this time as many of our 7th and 8th graders are doing high school math. DaVinci Academy will provide TI-84 Plus Silver Edition calculators for students while they are at school. The number one complaint from high school math teachers is that incoming 9th graders are not yet familiar with graphing calculators. This is an optional purchase, but one that will last through college level courses. The TI-84 Plus Silver Edition CE and the TI-89 Titanium Edition are preferred, but there are cheaper options that also work.
